SHOUTS FROM THE CROWD

On behalf of the sports dept. at Lambda I wish to apologize to those athletes whose names have been misspelled or uncapitalized. I also apologize to readers trying to complete some of the L.U.S.Q. quizzes. Unfortunately, due to a faulty keyboard and a lack of staff to monitor all print in the sports section, misprints have found their way onto our pages. Fortunately, I feel we have solved this problem beginning this week. I am also reprinting last week's L.U.S.Q. with the correct answers.

ANSWERS:

MALE ATHLETE OF THE MONTH

LORRIE OWNE-TURNER

Program: Sports Administration
Year: 4
Position: Defence
Sport: Soccer

Lorrie may play defence for the Vees but his offensive abilities make him an all around player. With his three years experience as a Soccer Vee Lorrie was a defensive leader on the team.

FEMALE ATHLETE OF THE MONTH

ELIZABETH BRYANT

Program: Human Movement
Year: 5
Position: Goalkeeper
Sport: Field Hockey

In Elizabeth's final year of field hockey she accomplished the goals that she set out. This year Elizabeth was selected as a member of the OWIAA All-Star Team (this makes the third time that she has been selected). To top things off Elizabeth was selected as a second team All-Canadian.

BRYANT NAMED C.I.A.U. ALL CANADIAN

Laurentian University is proud to announce Sudbury native, ELIZABETH BRYANT, has been named C.I.A.U. All Canadian.

In her five years as a member of the field hockey team, Elizabeth has been named an O.W.I.A.A. All-Star three times (including this year).

Elizabeth, a fifth year Human Movement student, was selected based on her outstanding play as goalkeeper. Elizabeth's leadership and experience has helped lead the team to an unexpected 6th place finish in the Ontario Championships this year.

Laurentian is very proud to see Elizabeth and her field hockey career end on such a high note.

POOL TOURNAMENT

Having completed our first pool tournament of the year, I am pleased to say it was a great success. After six weeks and a couple hundred pool games we have a winner. Hope you have a good time at the Grey Cup Ryan!

I would like to thank Lab-bats and the SGA for sponsoring the event. I would also like to thank all those who helped in the organization and a special thanks to all those who participated in the tournament.

Due to the success of the tournament, we will be holding two more starting on the 15th and 16th of November. Tuesday nights will be open, doubles and Wednesday nights will be mixed doubles. These tournaments will be held in a league, man or with playoffs to be held in March. There will be no games during exam period or during Carny week. You may register your team for \$10.00 at the SGA office, or at the Pub. Registration is limited so register early.

For any other information regarding these tournaments you can call me at 671-6249.

Thank you

THE BLUE JAYS XMAS SHOPPING LIST

by Mike Hill

Yes folks, only 39 shopping days left until Christmas, and as most baseball fans know, this is the time of year baseball teams start reading their list and check it twice for their needs in the upcoming season. It will be very interesting to see what the Toronto Blue Jays, headed by G.M. Pat Gillick, will be going after in the upcoming months. I'm going to briefly go over each position and assess the Jay's need for the 1989 season.

FIRST BASE - This is one position the Jays won't have to worry about next season. Fred McGriff is quickly establishing himself as one of the premiere first basemen in the majors. His 34 homers were tops in the league among first baseman and his 79 walks led the Jay's. This guy can only get better.

SECOND BASE - When Nelson Liariano faltered early in the season, Manny Lee stepped in to hit 2 29 with 11 hits in 381 at bat. Lee had a few problems defensively, but showed he can turn the D.P. Gillick may trade either one or both of these players, but would like to see Lee remain at second.

SHORTSTOP - Despite a season ending injury in 1987, Tony Fernandez worked hard and

had another good season. Tony batted 287 with a career high. 70 RBI's. His arm is coming back despite the elbow injury and should be healthy for the '89 campaign. Mr. Gillick shouldn't have any worries about his short-stop.

THIRD BASE - Kelly Gruber proved many people wrong (including myself) that he can play in the majors. He batted .282 with 16 hours and 82 R.B.I.'s and made many excellent defensive plays. Fred McGriff, Gruber has his position locked up and should continue to improve.

CATCHING - Ernie Whitt has become a fixture behind home plate, and despite his age, Whitt continues to perform. He lead all catchers in the majors with 70 RBI's. Whitt still has a year left in him. Rookie, Pat Borders received limited play due to a back injury, but when called upon to perform, demonstrated aggressive play. His hitting and defense need some fine tuning, but Borders should develop into a good catcher. Rookie, Greg Myers in triple "A", will provide solid backup for another year.

OUTFIELD - This is the Jays biggest area of concern. George Bell had a slow start but finished the season with 27 hours and 97 RBI's. Bell's 15 outfield errors was nothing to be proud

of. His defense must improve if he plans to play another season in left field.

Centre fielder Lloyd Mosby had a brutal season. As Mark Hebscher of Sportsline would say "this guy couldn't hit a ball with a canoe paddle". Mosbey's inconsistent offense as well as a worsening defence has probably cost him his job. He's got speed on the basepaths, but that's about it. Watch for the Jays to release him outright or trade him. Don't be surprised to see a Rob Ducey or a Sil Campasano platooning in centrefield next year. Both players have potential, but need major league experience. Ducey looks even more impressive in the last two weeks of the 1988 season.

Left-fielder, Jesse Barfield had another disappointing season for Toronto. His defense was good, but was inconsistent at the plate. Barfield is a hard worker, but it seems like he can't put it all together, like he did in '85, leading the majors in home runs and outfield assists. Barfield is a certain trade possibility, but knowing 'STAND PAT' GIL-LICK, I THINK HE'LL GIVE BARFIELD ONE MORE YEAR TO PROVE HIMSELF.

DESIGNATED HITTER - When Kelly Gruber proved himself as a regular third baseman, Rance Mullinaks was given the job as a DH. Unlike George

Bell, who took the job as an insult, Mullinaks responded with 12 hr's, 48, R.B.I.'s and batted 300. Rance will again be back in '89.

The right-handed DH bat was primarily held by Cecil Fielder, who had a dismal season (.230, 9 H.R.'s, 23 R.B.I.'s). I highly doubt Fielder will be around in '89. His size restricts his use as a utility players. (That's an understatement!) This leaves a spot that Gillick should fill.

STARTING PITCHING - Anyone will tell your good pitching will win a pennant. Overall, starting pitching hurt the Jays in 1988. Dave Stieb was the bright spot, posting a 16-8 mark, finishing the season with 32 consecutive scoreless innings, including two one hitters. Jimmy Key, Who spent most of the season on the injury list, finished strong with a 12-5 record. Watch for Key to become the Jays first 20 game winner in '89. Another southpaw with injury problems, Jeff Musselman finished the year with 8 wins and 5 losses. Musselman should develop into another quality starter next year. Veteran, Jim Clancy had a rough season with a poor start, but managed to gain respectability at the end of the season. "Diamond Jim" will probably see one more season. Mike Flannagan is currently testing the free agent market, but

still may return to Toronto. He had a 13-13 record, and gave up too many walks in 1988. Pat Gillick could and should improve on the Jay's starting pitching. One more quality starter could put this team in serious contention next year. Rookie, Todd Stottlemyre has potential with his strong arm, but is he ready for the majors?

RELIEF PITCHING: Gillick can improve this area, also Toronto's stopper Tom Henke had an average season with 25 saves. Henke blew some games over the '88 campaign and must work on his control. Duane Ward was a pleasant surprise posting a 9-3 record with 15 saves. He proved he can perform as either a set up man or a stopper.

John Cerutti performed well in long-relief, but must cut down on giving up the long ball. The other two positions are up for grabs. Mark Eichhorn was more than brutal in '88. His return to the Jays is questionable in 1989. Gillick might trade for some relief help or will look at the talent in the farm system to fill these holes.

MANAGERS/COACHES - To the surprise of many, Jim Williams will remain as manager of the Blue Jays for another season. Williams knows the game very well, but has obvious communication problems with his players. If Toronto has any chance at all to win the A.L. East in '89, Jimmy must gain the respect of his players. Believe me, it won't be an easy task. Cito Gasten returns as hitting instructor, as so does Al Widmar as pitching coach who missed most of 1988 due to health problems. Both coaches have done a good job for Toronto.

Overall, don't expect to see any major changes in the Toronto Blue Jays line-up in 1989. This team has had the potential to win it all in the last three years, but just haven't been able to put it together. If Toronto can stay injury-free, and each players play to his potential, the Jays should be a force to reckon with in '89.

Watch for an upcoming article on the Jays new home in 1989, The Skydome.

THE BIG E PICKS

by EAV

Well, last weeks 10-4 record brought me back to respectability putting me at 88-51-1 on the year, and an even 69-69-2 with the spread. I hope the trend continues this week.

CHICAGO AT WASHINGTON

Vince Tobin took over for Ditka last week and should call the shots to mid-December. Tomczak is a more than adequate replacement for McMahon, while Doug Williams is still shaky. Skins have won last two meeting in divisional playoffs and are playing at home. I'd like to call it a tie, but take 8-2 Chicago.

CINCINNATI AT KANSAS CITY

The Bengals outclass K.C. in all departments. Despite losing 8, K.C. has played close. Losing by more than 7 only once. Boomer might not have a big day, but should come away with the win. Take Cincinnati.

CLEVELAND AT DENVER

Denver needs a win to stay atop the woeful rest. Their last two meetings have been in the AFC championship with the

Broncos winning both. Denvers not the team now that they were in those wins. Take a tough Cleveland team.

HOUSTON & SEATTLE

The Moon will rise in Seattle on Sunday. The Oilers are on a roll. Bet Seattle takes the week off. Take Houston.

INDIANAPOLIS AT GREEN BAY

The Colts have won all the last two weeks racing for a playoff spot. Chris Chandler has played well since receiving the starting roll. The Pack was shut out by Atlanta last week. Enough said. Take the Colts.

L.A. RAIDERS AT SAN FRANCISCO

A loss would put San Fran. in a fight for a playoff spot. While a Raider loss drops them out of the AFL lead. A big game for both teams. Take San. Fran. at home.

NEW ENGLAND AT N.Y. JETS

The Pats won big in week one, and have played well. The Jets have been inconsistent but still have the better record. Jet Rookie, Eric McMillin leads the league with eight thefts. Fluties

bubble will burst. Take N.Y.

NEW ORLEANS AT L.A. RAMS

Two weeks ago L.A. pulled out a 12-10 win. Both teams are 7-3 atop the NFL west. Should be another close one. Take the Rams.

N.Y. GIANTS AT PHOENIX

N.Y. has won 5 by 7 points or less and are a 7-3 team. Phoenix had been a surprise this year and could get a share of the lead with a win. Look for them to get some respect by winning at home.

PHILADELPHIA AT PITTSBURGH

Take Philly in a closer game than you may think.

SAN DIEGO AT ATLANTA

The Falcons have won two in a row. Can they be stopped? No Way. Take Atlanta.

TAMPA BAY AT DETROIT

Two 2-8 teams battling for the basement. Both teams got blown out last week. Prediction: Detroit 20-17 in overtime.

MEN'S BASKETBALL: VEEES COME CLOSE

VEES COME CLOSE

by Mike Hill

The Men's Basketball team played one of their toughest opponents of the year, the Metropolitan Toronto Police Force's basketball team on Saturday, November 5th and were defeated 107-102, in an exciting end-to-end game.

The Metro Police team is compromised of many former OUAA players, including Sudbury native Rob Thirkill, Coniston native and former U of T player Mike Forestell as well as Rob Samuels who played for St. Bona Venture of the NCAA. In the pre-game warm-up, it was obvious the Metro Police had a distinct height advantage over Laurentian.

The first five minutes of the game were played well by the Vees leading 15-8, but the Metro Police's team quickly fought back to take a 34-32 lead midway through the half. The pace was very fast, with both teams moving the ball quickly. The Vees, however, got into foul trouble and allowed the Toronto team a few too many shots from the line. Laurentian tightened up their defensive play late in the half, with Walter Johnson and John Campbell showing some hustle around the boards. Aided by some bad turnovers by the Vees, the Metro Toronto Police team took a 45-42 lead to the dressing room at the half. Lloyd Pollard had 11 points in the half, while rookie Norm Hann added 10 points in the first twenty minutes of play.

The fast pace continued in the second half and the game remained very close with both teams trading baskets. Rob Samuels of the Metro Police team played a spectacular game slamming the ball three times as well as hitting 4 three pointers in the second half. The match remained close until late in the game when the Vees again made some costly turnovers and sent their opponents to the foul line. Laurentian made it close at the end with some quick baskets, but the Metropolitan Toronto Police basketball team came out on top with a 107-102 score.

Top scorer in the game was Rob Samuels of the Metro Police with an incredible 53 points. The Vees top scorer was Lloyd Pollard with 38 points. Lloyd had strong second half with 26 points, including 5 of 6 from 3 point range. Marcel Langlois contributed 10 points in the second half.

The funniest play of the night occurred when a Metro Police player attempted to rebound the ball under the hoop and tossed the ball off the back of the backboard, with the ball bouncing out of bounds.

Laurentian Coach, Peter Campbell, pointed out that this was probably the Vees toughest games of the year, against an obvious taller and faster team. He felt the intensity level of his players could have been a bit higher in the first half, and his team has to do a better job defensively to compete in the OUAA this season. "We knew our opponents had a height advantage, but we could have done a better job of boxing out players under the basket", added Campbell.

This was the Vees fourth game of the exhibition season, and Laurentian has scored over 100 points in each game. Unfortunately, 102 points weren't enough this night. "Experience was a big factor in the game", said Vees guard Lloyd Pollard. "Our younger players gained some valuable experience in the game", he added.

From the field, Laurentian had a shooting percentage of 54%. 76% from the line and were 10 of 26 from 3 point distance. The three point shot has become another offensive threat in the Vees attack. Coach Campbell has five excellent three point shooters on his bench this year.

Despite Toronto's height advantage, John Campbell and Walter Johnson did a good job along the boards collecting 12 and 5 rebounds, respectively. Mike Albert came up big rebounding on a few occasions, competing for the ball against his taller opponents.

The Vees hit the road this weekend to the University of Alberta Invitational Tournament, where they will face some of the country's best basketball teams. Best of luck guys!

CIAU FIELD HOCKEY FINALS

The nations four top field hockey teams competed for the CIAU championship at McGill this weekend. In one semi-final Toronto knocked off Victoria 2-1 and UBC shut out York 1-0. The gold medal game was a close match with Toronto winning 1-0. The bronze medal game saw York defeat Victoria also by a score of 1-0.

GATORADE THREE POINT PLAY TOURNAMENT

This year we are having a contest to see who is the Master of Basketball Who can shoot from a certain range. This is a contest where the players shoot from behind a designated Three Point line. If the player scores the basket, the basket is worth three points.

Three point play contest will be held every Thursday night from 10:00-11:00 p.m. For those participants that are registered, the Tournament starts on Thursday, November 17th and ends on Thursday, January 19th.

This tournament is being Sponsored by GATORADE. THIS CONTEST IS FOR SEVEN WEEKS ONLY. There will be a winner every week. The winner of each week will then be pressured to compete with the other finalists in THE GATORADE 3 POINT PLAY FINALS which will be held on Thursday, February 9th. There has to be different winner every week so if you win the first week, you won't be able to win the other six weeks. Although, you'll be able to participate every week so you can keep in shape. Hope to see all of you here on Thursday.

Best of Luck to all Participants.

ATHLETES OF THE WEEK (October 29th - November 4th)

Lloyd Pollard (Basketball): Lloyd who is in his last season here a Laurentian had a great weekend against Lakehead. He had 40 points and 5 rebounds over the two games. With his strong performance the Vees are sure to have a winning season.

Monica Dailey (Field Hockey): Monica finished off the season with an impressive performance at the OWIAA Championships. She scored the overtime goal to lead Laurentian to a 2-1 victory over McGill and she was also the lone scorer for the Lady Vees in their 2-1 overtime loss to Western. To finish off her impressive season, she was named to three O.W.I.A.A. ALL STAR team along with two other Laurentian players.

INTRA-MURAL SPORTS

Calling all Off-Campus Students!!

This year, for the first time ever, in the interest of Off-Campus students, a representative has been designated for Intra-Mural Sports. Michelle Yeo is the Off-Campus representative for this year.

The rep's job is to try and provide a base and bring together all students living off campus who are interested in playing intra-mural sports. They can call the rep. to sign up for a team comprised of off-campus students.

Unfortunately, a lot of people are unaware that this contact exists since this is the first year of its operation. To make this premier year a success, more people are needed for teams.

*** Upcoming events in-

clude: Curling, Inner-tube water polo, Women's Hockey and mixed Volleyball.

*** Some special events to get involved in are: X-country skiing, cardboard caper tobogganing, the Message Clinic, and also a mixed "3 on 3" basketball tournament which is on November 20th.

If you are living off-campus, there is not always an opportunity to participate in Intra-mural sports, however, they are an excellent way to get out and meet people. If you are at all interested in any of these events, get in touch with Michelle Yeo at 673-0185. Each event has a closing date after which no more teams may be submitted, so avoid disappointment and call now to get involved.

PICKARD TO RETIRE

Laurentian University is very sad to announce the retirement of Patricia Pickard from coaching. Pat has been coaching for 24 years -22 of those years at Laurentian University.

Pat has many accomplishments and proud moments during her coaching career. Pat's coaching career started at the University of Winnipeg where she coached women's basketball and volleyball for a year. She then moved to John Taylor Collegiate, in Winnipeg. She coached both basketball and volleyball for a year there. The next step in Pat's coaching career was her move to Laurentian University.

Laurentian University Athletics grew by leaps and bounds in the years after Pat arrived. She brought the first women's varsity sport to Laurentian in 1967-68. The women's volleyball team was coached by Pat for seven years. During this time Pat also started the women's basketball program at Laurentian. In 69-70 Pat became the first coach of the Laurentian Vees Basketball team. In 1970-71, Pat introduced field hockey to Laurentian University. Very quickly Pat provided Laurentian with a winning field hockey team, the field hockey team was the OWI AA Intermediate Champions for three years. The team in 1979 advanced to the Senior Division. Under Pat's guidance, the team blossomed. In 1986 they placed first in the OWIAA East Division and were the Bronze medalist in the OWIAA Conference. The 1986 season was their first appearance at the CIAU Championships where they finished a strong 6th place in Canada.

During these busy years of coaching, Pat continued to be a very dominate force in trying to advance Laurentian University and Laurentian's Athletic program. She is the co-ordinator of Women's Athletics and the former Chairman of Intercollegiate Athletics. She is also the current vice-present of the C.I.A.U. Pat is also an Assistant Professor of Human Movement and was awarded the Teaching Excellence Award at Laurentian University in 86-87. And still with this busy schedule Pat finds time for any student or athlete who needs help.

Laurentian University and the Intercollegiate Athletic Program will suffer a great loss as Pat steps down from coaching but we wish her all the best and continued luck.

TOP TEN WORST SPORTS ANNOUNCERS AND COMMENTATORS

by Mike Hill

10. Vin Scully
During a Tigers vs. Jays game in 1987.

"Beautiful Toronto, Ontario on the shores of Lake Erie" - typical American!

9. Dick Irvin
His first name says it all.

8. Howard Cosell - What else can you say?
An all-time legend.

7. Howie Meeker
- He should have retired with Peter Puck.

6. Dick Beddoes - Nice hat collection, buddy!
See Dick Irvin also.

5. Ed Kilgore- Buffalo's Biggest Bonehead.
- Give us a rest with those Bills highlights, Ed!

4. Paul McGuire- Pre-game prediction through game commentary, nothing more than mumbling nonsense.

3. Harry Neale- No wonder he didn't last as a coach; gives the word "idiot" new meaning.

2. John Walton
- One of Sudbury's finest!

AND THE NUMBER 1 MOST BRUTAL SPORTS ANNOUNCERS AND COMMENTATORS IS YOU GUESSED IT:

1. FERGIE OLVER
- "How about those Blue Jays"

How about doing us Jays fans a favour and sticking to JUST LIKE MOM.

HONOURABLE MENTION GOES TO:

Wes Goforth -another Buffalo bimbo!

John Metcalfe - sorry John, just kidding!

KILLINGTON

Killington Mountain, the largest ski complex in the east, consists of 312 interconnected mountains with 17 lifts and a choice of 107 trails. At Killington, the ski season extends from October to June thanks to the area's high elevation and massive snowmaking operations. With an average of 25 feet of natural snow and snowmaking that covers a variety of terrain on trails serviced by all lifts, Killington boasts the best conditions in the east. You can explore from mountain to mountain, just as you would in the Alps. There's an easy route off the top of each mountain, so every member of your party can enjoy Killington to the fullest! And after a day of skiing mountain to mountain, you can glide back home to the warmth of your own fireplace at Killington Village.

PINNACLE ***

The Pinnacle condos are designed for your comfort and privacy. Within walking distance to nightclubs, restaurants, village shops and, last, but not least, the lift. S.G.A./Labatts
Pool Tournament

by A. Serre-Chevrier
Chuck Breethat was the coordinator and referee for this tournament which took place in the pub. Forty-four players participated in this double-knock-out tournament. This means that a player must lose twice before he/she is out of tournament. Like Chuck says "Everyone gets a second chance."

This tournament started at the end of September and terminated November 2nd.

The first place winner was Ryan Chevier. He was awarded two tickets to the Grey Cup, a Labatt's Blue T-shirt, and a poster package which includes a poster sticker, ruler and high-liter.

The second place winner was Paul Rocca. He was awarded a Blue Zone Coat, along with the T-shirt and poster package.

Third place was claimed by Mark Holmes. His prize was a case of cheer, T-shirt and poster package.

Each winner was awarded a trophy and the first place winner will have his name engraved on another trophy which will remain in the pub.

These three winners will also have the opportunity of playing against Gerry Watson, a professional billiards player, on November 14th, in the publ. All three will then receive a pool cue.

It was a good tournament and the players seem to have enjoyed themselves. They played fair and all seem to enjoy the friendliness of the competition.

Congratulation Winners!

Don't forget to come see them play against the pros on November 14th.

WOMEN'S IN-
TRAMURAL TOUCH
FOOTBALL
'POWDER PUFF
TOURNAMENT'

Well sports fans, we sadly conclude our womens football season with the annual Powder Puff Tournament held on 29-30 October, 1988. Four out of the eight teams came out to bare the sub-zero temperatures to battle it out for first place. The Stroker A's were victorious in the finals by defeating the UC Outcasts 13-6. But the most hard fought game had to be for third place, where the Dynamic Dames slipped through Huntington with a field goal to win it 13-12, it was some struggle. Here are the final standings..

- 1st place—Strokers A's
- 2nd place—UC Outcasts
- 3rd place—Dynamic Dames
- 4th place—Huntington

My special thanks to Gatorade who provided the refreshments and hats, and to the mens' basketball team who provided all the officials for the tournament. Especially to that group of shivering girls who showed up with high spirits, which made my job much more enjoyable.

VEES SWIM-
MING

SWIM TEAM
PERFORMS WELL
AT BROCK

The Laurentian Swim Team faired well at the Brock Invitational over the weekend. In the men's competition, the Laurentian team lead by Darcy Wallingford and Jim Shields, defeated Brock by a score of 61-33 and York 48-57. The men's team, however came up short against Guelph losing 51-44. Wallingford placed first in the 200 m individual medley, the 100 m butterfly, and the 100 m breastroke. Jim Shields did very well in his specialtiy, the freestyle, placing first in 100 200 and 400 metre freestyle. Adrean Gedye placed second in the 100 m breastroke.

VEES LOSING
STREAK EX-
TENDED TO SIX

The Hockey Vees losing ways continued this past week-end with a 10-2 loss to the McGill Redmen and a 9-1 slashing at the hands of the Concordia Stingers.

On Saturday the Vees kept the game close for two periods but fell apart in the final frame as McGill scored 8 unanswered goals to come away with a 10-2 victory.

On Sunday, the team did not come up with a good performance and were defeated by Concordia 9-1. The lone goal scorer for Laurentian was Derrick Male.

Next weekend the Vees face two more tough opponents as they meet the University of Toronto Blues on Saturday and the powerful York Yeomen on Sunday. The Vees record now stands at 0-6-1 and if they hope to improve on that record things will have to change.

VEES DOWNED
BY BLUES

Ryerson and U of T were hosted by the Laurentian Vees this weekend. On Friday night, the Vees dropped the first two games but bounced back to win the second two. The deciding fifth game was taken by Ryerson 15-4, as the visitors took the match with a 3-2 victory.

The Vees tried to even up the matches by a victory Saturday afternoon. Unfortunately, a strong performance by the U of T Blues proved to be a little more than our squad could handle; the Blues won the match with a 3-0 game sweep. Final results are as follows:

Friday, November 4th					
	1	2	3	4	5
Ryerson	15	15	4	9	15
Laurentian	11	12	15	15	4
Saturday, November 5th

LADY VEES HOST VOYAGEUR INVITATIONAL THIS WEEKEND

By Mike Hill

The Laurentian Lady Vees Basketball team will host their annual Voyageur Invitation Tournament beginning tonight (November 10th) and continues through Friday and up to the championship game on Saturday evening (November 12th). This will be the largest and probably the most exciting Voyageur Tournament in years.

Some of the teams featured in the tournament include, the highly ranked University of Lethbridge (Alberta) women's team and the Bishop's University Lady Gators, who have also been ranked in the CIAU top ten. From the highly competitive OWIAA West Division, the McMaster University Marauders and the Wilfrid Laurier Golden Hawks, will be participating in the Voyageur Invitation, as well as the Concordia Stingers from Montreal. You will be able to see some very high calibre play, as four national team players will be competing in the tournament.

Lady Vees Coach, Peter Ennis feels his team has a good chance at winning the tournament. It will be a good opportunity to evaluate our team against

some of the better teams in the country, Ennis added. The Lady Vees coach also pointed out that tournaments like this are taken into consideration when the CIAU top ten rankings are determined, which will be another motivating factor for his team.

Laurentian's first game is today (November 10th) at 5:00 p.m. against the Wilfrid Laurier Golden Hawks. If the Lady Vees are victorious, their second game will be played on Friday night at 8:30 p.m. against the winner of the Bishops vs. McMaster game. If the same scenario holds true in the second game, Laurentian will play the championship games which will be held Saturday night at 8:30 p.m. A complete schedule is printed below.

This being the Lady Vees own tournament, I certainly hope that everyone will be out to support our women's team. Nothing motivates a home team more than a packed gym, and our Lady Vees have an excellent chance of winning it. See you there

WHO?

Who do you want to govern Canada?
That's a serious question. On November 21, Canadians will answer.

Brian Mulroney and the Progressive Conservative government understand that the world around us is changing, and that our challenge is to manage global change to Canada's benefit. Since 1984, the P.C. government has put Canada on a solid footing.

Who has more at stake than Canada's youth?
Before you vote, consider the facts.

LEADERSHIP

Since the P.C. Government was elected, the youth unemployment rate has fallen from 18.3% to 12.2%. This progress must continue.

COURAGE

The P.C. government has led the western world in taking a firm stand against the Apartheid regime in South Africa.

VISION

The P.C. government has produced Canada's first Environmental Protection Act, which carries harsh penalties for polluters.

These are some of the issues which concern young Canadians. In four years, Brian Mulroney and his government have made great progress. Support the P.C. government, and the progress will continue.

Who should we elect?
The P.C. Government.

WHO ELSE!
